## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2018 LEGISLATIVE SESSION

## Analysis

HB 267 amends AS 08.54.760(b) by allowing municipalities to access all historical, current, and future confidential hunt records for the purpose of verifying taxes payable if that municipality levies a tax on such activities.

To implement this legislation, regulations will be required. The division will require information technology support to create reports from the existing licensing database.

If the bill passes the following expenses will be incurred:

Services: \$2.7 (regulations project)

\$5.0 (information technology costs to create reports from the licensing database)

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
